

Winslow Township School District

Grade 3

Unit 3: Personal Growth, Development and Nutrition

Overview: Personal Growth, Development and Nutrition are lifelong processes of physical, behavioral, emotional and cognitive change throughout one’s lifetime.

Overview	Standards for Personal Growth, Development and Nutrition	Unit Focus	Essential Questions
Unit 1: Personal Growth, Development and Nutrition	<ul style="list-style-type: none"> • 2.1.5.PGD.1 • 2.1.5.PGD. 2 • 2.1.5.PGD.3 • 2.1.5.PGD.4 • 2.1.5.PGD.5 • 2.2.5.N.1 • 2.2.5.N.2 • 2.2.5.N.3 • WIDA1 	<ul style="list-style-type: none"> • Students will explain how personal growth and development pertains to keeping your body healthy and understanding hormonal changes (all body systems) and their impact on sexuality. • Students will explain human condition: who we are, how we grow or evolve, and how interaction with others affects the process of growth physically, mentally, socially, and emotionally from infancy through advanced age. 	<ul style="list-style-type: none"> • How do individuals enjoy different activities and grow at different rates? • Why does personal hygiene and self-help skills promote healthy habits? • What importance do the body systems have on a person’s personal development? • What can I do to reduce or avoid health risks? • What do I need to know to make good decisions and stay healthy? • How do the different body systems impact and affect one another?
Unit 1: Enduring Understandings	<ul style="list-style-type: none"> • Health choices and behaviors have a profound impact on personal, family, community, and global wellness. • Food choices and eating patterns are developed at a young age, persist throughout one’s lifetime, and may impact one’s long-term health. • It may be difficult to change unhealthy eating patterns that are rooted in family traditions, religious beliefs, or culture. • Peers and the media also have a significant impact on food choices and the availability of healthy options. • Making healthy eating choices is an important part of achieving and sustaining wellness. • Medical advances, technology, and public health efforts enable some people to live healthier and longer lives than ever before, but many people struggle to be healthy. • Understanding why a behavior or activity is unsafe or risky is only the first step towards preventing injuries and staying safe. • Consistently employing safe and healthy behaviors helps to reduce the incidence and severity of injuries.

Modifications for Special Education/504

Students with special needs: The students' needs will be addressed on an individual and grade level using a variety of modalities. Accommodations will be made for those students who need extra time to complete assignment. Support staff will be available to aid students related to IEP specifications. 504 accommodations will also be attended to by all instructional leaders. Physical expectations and modifications, alternative assessments, and scaffolding strategies will be used to support this learning. The use of Universal Design for Learning (UDL) will be considered for all students as teaching strategies are considered. Additional safety precautions will be made along with additional staff so all student can fully participate in the standards associated with this Health curriculum.

- Small group instruction
- Audio books/ Text-to-speech platforms
- Leveled texts/Vocabulary Readers
- Leveled informational texts via online
- Modeling and guided practice
- Read directions aloud
- Repeat, rephrase and clarify directions
- Extended time as needed
- Break down assignments into smaller units
- Provide shortened assignments
- Modify testing format
- Repeat directions as needed

Winslow Township School District
Grade 3
Unit 3: Personal Growth, Development and Nutrition

Modifications for At-Risk Students

Formative and summative data will be used to monitor student success. At first signs of failure, student work will be reviewed to determine support. This may include parent consultation, basic skills review and differentiation strategies. With considerations to UDL, time may be a factor in overcoming developmental considerations

- Increase one on one time
- Teachers may modify instructions by modeling what the student is expected to do
- Review behavior expectations and make adjustments as needed.
- Oral prompts can be given.
- Using visual demonstrations, illustrations, and models
- Give directions/instructions verbally and in simple written format.
- Peer Support

English Language Learners

All WIDA Can Do Descriptors can be found at this link:

<https://wida.wisc.edu/teach/can-do/descriptors>

- Grade 1 WIDA Can Do Descriptors:
 - Listening Speaking Reading Writing
 - Oral Language

Students will be provided with accommodations and modifications that may include:

- Relate to and identify commonalities in health practices in students home country
- Speak and display terminology and movement
- Teacher Modeling
- Peer Modeling
- Label Classroom Materials - Word Walls

Modifications for Gifted Students

Students excelling in mastery of standards will be challenged with complex, high level challenges related to the topic.

- Students can complete extend research outside of the classroom
- Inquiry-based instruction
- Independent study
- Higher order thinking skills
- Adjusting the pace of lessons
- Interest based content
- Project Based Learning
- Real world scenarios
- Student Driven Instruction
- ❖ [Gifted Programming Standards](#)
- ❖ [Webb's Depth of Knowledge Levels and/or Revised Bloom's Taxonomy](#)
- ❖ [REVISED Bloom's Taxonomy Action Verbs](#)

Interdisciplinary Connections

ELA - NJSLS/ELA:

NJSLSA.SL.5. Make strategic use of digital media and visual displays of data to express information and enhance understanding of presentations.

RI.1.1. Ask and answer questions about key details in a text.

RI.1.2. Identify the main topic and retell key details of a text.

SL.1.1. Participate in collaborative conversations with diverse partners about grade 1 topics and texts with peers and adults in small and larger groups. A. Follow agreed-upon norms for discussions (e.g., listening to others with care, speaking one at a time about the topics and texts under discussion).

W.1.6. With guidance and support from adults, use a variety of digital tools to produce and publish writing, including in collaboration with peers.

Integration of Computer Science and Design Thinking NJSLS 8

8.1.5.CS.2: Model how computer software and hardware work together as a system to accomplish tasks.

8.1.5.DA.3: Organize and present collected data visually to communicate insights gained from different views of the data.

8.1.5.DA.5: Propose cause and effect relationships, predict outcomes, or communicate ideas using data.
