Grade 3 Music

Unit 3: Half notes, Quarter notes, and Eighth notes

Overview: In this unit we will be learning about Quarter notes, Half Notes, and Eighth notes. The students will learn how to recognize the difference between these three types of notes both visually and aurally. They will understand how many beats each note value is worth. After learning the fundamentals of these notes they will then learn how to recognize and construct complex rhythms by combining quarter, half, and eighth notes. Students will also demonstrate their understanding of these rhythmic concepts by performing them with instruments such as drums, hand percussion, and Orff instruments.

Overview	Standards for Musical Content	Unit Focus	Essential Questions
Unit 3 Quarter notes, Half notes, and Eighth notes	1.3A.5.Cr1a 1.3A.5.Cr2a 1.3A.5.Pr4b 1.3A.5.Pr4c 1.3A.5.Pr5a 1.3A.5.Pr5b 1.3A.5.Pr6a 1.3A.5.Re7b 1.3A.5.Re8a 1.3A.5.Re8a 1.3A.5.Re9a	 Understand how to recognize quarter, half, and eighth notes with both their eyes and ears Understand the beat value of each note Demonstrate proficiency through performing each note value using body percussion and unpitched instruments Possess an entry level understanding of steady beats and meter in music Begin understanding simple rhythmic notation 	 What is the visual difference between each of these note values? What is the aural differences in how each one of these notes sound? How many beats is ¼ note worth? How many beats is a 1/8 note
Unit 3: Enduring Understandings		<u>*</u>	 worth? How many beats is a ½ note worth? How can we use these notes to build common rhythms?

Instructional	Best Practices	and Exemplars
---------------	-----------------------	---------------

- 1. Identifying similarities and differences
- 2. Summarizing and note taking
- 3. Reinforcing effort and providing recognition
- 4. Homework and practice
- 5. Nonlinguistic representations

- 6. Cooperative learning
- 7. Setting objectives and providing feedback
- 8. Generating and testing hypotheses
- 9. Cues, questions, and advance organizers
- 10. Manage response rates

9.1 Personal Financial Literacy, 9.2 Career Awareness, Exploration, Preparation and Training & 9.4 Life Literacies and Key Skills

- 9.2.5.CAP.5: Identify various employee benefits, including income, medical, vacation time, and lifestyle benefits provided by different types of jobs and careers.
- **9.1.5.CR.1:** Compare various ways to give back and relate them to your strengths, interests, and other personal factors.
- 9.1.5. EG.4: Describe how an individual's financial decisions affect society and contribute to the overall economy
- **9.1.5.FP.3:** Analyze how spending choices and decision-making can result in positive or negative consequences.
- **9.1.5.PB.2:** Describe choices consumers have with money (e.g., save, spend, donate).
- **9.2.5.CAP.2:** Identify how you might like to earn an income.

The implementation of the 21st Century skills and standards for students of the Winslow Township District is infused in an interdisciplinary format in a variety of curriculum areas that include, English language Arts, Mathematics, School Guidance, Social Studies, Technology, Visual and Performing Arts, Science, Physical Education and Health, and World Language.

Modifications for Special Education/504

Students with special needs: The students' needs will be addressed on an individual and grade level using a variety of modalities. Accommodations will be made for those students who need extra time to complete assignment. Support staff will be available to aid students related to IEP specifications. 504 accommodations will also be attended to by all instructional leaders. Physical expectations and modifications, alternative assessments, and scaffolding strategies will be used to support this learning. The use of Universal Design for Learning (UDL) will be considered for all students as teaching strategies are considered.

- Small group instruction
- Peer helpers
- Modeling and guided practice
- Read directions aloud
- Repeat, rephrase and clarify directions
- Extended time as needed
- Break down assignments into smaller units
- Provide shortened assignments
- Modify testing format
- Repeat directions as needed
- Study Guides, Study Aids and Re teaching as needed

Winslow Township School District Grade 3 Music Unit 3: Half notes, Quarter notes, and Eighth notes

Modifications for At-Risk Students

Formative and summative data will be used to monitor student success. At first signs of failure, student work will be reviewed to determine support. This may include parent consultation, basic skills review and differentiation strategies. With considerations to UDL, time may be a factor in overcoming developmental considerations

- Extended time as needed
- Read directions aloud
- Assist with organization
- Emphasize/highlight key concepts
- Recognize success
- Provide timelines for work completion
- Break down multi-step tasks into smaller chunks

Interdisciplinary Connections

Interdisciplinary Connections:

NJSLSA.R1. Read closely to determine what the text says explicitly and to make logical inferences and relevant connections from it; cite specific textual evidence when writing or speaking to support conclusions drawn from the text.

NJSLSA.R4. Interpret words and phrases as they are used in a text, including determining technical, connotative, and figurative meanings, and analyze how specific word choices shape meaning or tone.

NJSLSA.R7. Integrate and evaluate content presented in diverse media and formats, including visually and quantitatively, as well as in words.

NJSLSA.W2. Write informative/explanatory texts to examine and convey complex ideas and information clearly and accurately through the effective selection, organization, and analysis of content.

NJSLSA.W3. Write narratives to develop real or imagined experiences or events using effective technique, well-chosen details, and well-structured event sequences.

NJSLSA.W7. Conduct short as well as more sustained research projects, utilizing an inquiry-based research process, based on focused questions, demonstrating understanding of the subject under investigation.

NJSLSA.SL1. Prepare for and participate effectively in a range of conversations and collaborations with diverse partners, building on others' ideas and expressing their own clearly and persuasively.

4.MD.1. Know relative sizes of measurement units within one system of units including km, m, cm; kg, g; lb, oz.; l, ml; hr, min, sec. Within a single system of measurement, express measurements in a larger unit in terms of a smaller unit. Record measurement equivalents in a two-column table.

Integration of Computer Science and Design Thinking NJSLS 3

8.1.5.CS.1: Model how computing devices connect to other components to form a system

8.1.5.DA.1: Collect, organize, and display data in order to highlight relationships or support a claim.

8.2.5.ED.3: Follow step by step directions to assemble a product or solve a problem, using appropriate tools to accomplish the task.
