Unit 6 Consequences of Industrialization (c.1750 to c. 1900)

Unit 6 Consequences of Industrialization (c.1750 to c. 1900)

Overview: In this unit, students examine the consequences of industrialization beginning with the motives behind and factors that enabled industrialized nations to embark on a new era of imperialization. Students also will analyze cultural justifications for imperialism such as social Darwinism. Finally, students will explore and evaluate various responses to imperialism, including violent resistance, attempts at diplomacy, and accommodation.

Modifications for Special Education/504

Students with special needs: The students' needs will be addressed on an individual and grade level using a variety of modalities.

Accommodations will be made for those students who need extra time to complete assignment. Supports, Accommodations, and Modifications must be provided as stated in IEP, 504 Plan, or CST Intervention Plan, and may include (but are not limited to) the following:

Presentation accommodations: Listen to audio recordings instead of reading text Learn content from audiobooks, movies, videos and digital media instead of reading print versions Use alternate texts at lower readability level Work with fewer items per page or line and/or materials in a larger print size Use magnification device, screen reader, or Braille / Nemeth Code Use audio amplification device (e.g., hearing aid(s), auditory trainer, sound-field system (which may require teacher use of microphone) Be given a written list of instructions Record a lesson, instead of taking notes Have another student share class notes with him Be given an outline of a lesson Be given a copy of teacher's lecture notes Be given a study guide to assist in preparing for assessments Use visual presentations of verbal material, such as word webs and visual organizers Use manipulatives to teach or demonstrate concepts Have curriculum materials translated into native language

Response accommodations: Use sign language, a communication device, Braille, other technology, or native language other than English Dictate answers to a scribe Capture responses on an audio recorder Use a spelling dictionary or electronic spell-checker Use a word processor to type notes or give responses in class Respond directly in the test booklet rather than on an answer sheet.

Setting accommodations: Work or take a test in a different setting, such as a quiet room with few distractions Sit where he learns best (for example, near the teacher, away from distractions) Use special lighting or acoustics Take a test in small group setting Use sensory tools such as an exercise band that can be looped around a chair's legs (so fidgety kids can kick it and quietly get their energy out) Use noise buffers such as headphones, earphones, or earplugs

Timing accommodations: Take more time to complete a task or a test Have extra time to process oral information and directions Take frequent breaks, such as after completing a task

Scheduling accommodations: Take more time to complete a project Take a test in several timed sessions or over several days Take sections of a test in a different order Take a test at a specific time of day

Organization skills accommodations: Use an alarm to help with time management Mark texts with a highlighter Have help coordinating assignments in a book or planner

Modifications for At-Risk Students

Formative and summative data will be used to monitor student success. At first signs of failure, student work will be reviewed to determine support. This may include parent consultation, basic skills review and differentiation strategies. With considerations to UDL, time may be a factor in overcoming developmental considerations

- Increase one on one time
- Teachers may modify instructions by modeling what the student is expected to do
- Oral prompts can be given.
- Using visual demonstrations, illustrations, and models
- Give directions/instructions verbally and in simple written format.

English Language Learners

All WIDA Can Do Descriptors can be found at this link:
<https://wida.wisc.edu/teach/can-do/descriptors>

- Grades 9-12 WIDA Can Do Descriptors:
- Listening Speaking
 - Reading Writing
 - Oral Language

Students will be provided with accommodations and modifications that may include:

- Assist with organization
- Use of computer
- Emphasize/highlight key concepts
- Teacher Modeling
- Peer Modeling
- Label Classroom Materials - Word Walls

Modifications for Gifted Students

Students excelling in mastery of standards will be challenged with complex, high level challenges related to the topic.

- Students can complete extended research outside of the classroom
- Inquiry-based instruction
- Independent study
- Higher order thinking skills
- Adjusting the pace of lessons
- Interest based content
- Project Based Learning
- Real world scenarios
- Student Driven Instruction
- [Gifted Programming Standards](#)
- [Webb's Depth of Knowledge Levels and/or Revised Bloom's Taxonomy](#)
- [REVISED Bloom's Taxonomy Action Verbs](#)
