NEGOTIATION PROCEDURE

- A. The parties agree to enter into collective negotiations over a successor Agreement in accordance with NJSA 34:13A-1, in a good-faith effort to reach agreement concerning the terms and conditions of unit members' employment.
1. Such negotiations shall begin not later than February 1st of the calendar year preceding the calendar year in which this Agreement expires, when each party will submit its written proposal for the next Agreement. This exchange will constitute the beginning of negotiations. Formal discussions shall begin not later than February 1st.
 2. Any Agreement so negotiated shall apply to all unit members covered by this Agreement, shall be reduced to writing, shall be subject to ratification by the Association and the Board, and shall be executed by the Board and the Association.
- B. Either party retains the right to professional or lay counsel to be present at the session(s) to take part in the deliberations. All meetings between the parties shall be regularly scheduled, whenever possible, to take place when the unit members involved are free from assigned instructional responsibilities, unless otherwise agreed.
- C. During negotiations, the Board and the Association shall present data, exchange points of view, and make proposals and counterproposals. The Board agrees, subject to reasonable request, to provide the Association with information which is in the public domain.

- H. This Agreement incorporates the entire understanding of the parties and shall not be modified in whole or in part by the parties except by an instrument, in writing, duly executed by both parties.

ARTICLE II

GRIEVANCE PROCEDURE

A. Definition

A “grievance” shall mean a complaint by a unit member of the bargaining unit that there has been to him/her a personal loss, injury or inconvenience because of a violation, misinterpretation or inequitable application of an established policy governing unit members. A grievance to be considered under this procedure must be initiated by the unit member or Association within thirty (30) calendar days of its occurrence. Failure at any step to appeal a grievance within the specified time limits shall be deemed waiver of further appeal of this decision. Failure by the Board at any step of this procedure to communicate the decision on the grievance within the specified time limits shall permit the Association to proceed to the next step.

B. Representation

1. Any unit member may be represented at all stages of the grievance procedure by himself/herself, or at his/her option, by the Association or by a representative selected or approved by the Association.
2. When an aggrieved unit member is not represented by the Association in the processing of a grievance, the Association shall be notified by the Superintendent that the grievance is in existence and shall be notified of the result.

C. Procedure

1. Level I - Informal Discussion

Any unit member who has a grievance shall discuss it informally and confidentially with the school principal (or immediate superior or department head, if applicable) in an attempt to resolve the matter informally at that level.

2. Level II - Written Response
 - a. If, as a result of the discussion, the matter remains unresolved, the Association shall, within ten (10) school days, submit the grievance, in writing, to the principal/immediate supervisor specifying:
 - 1) the nature of the grievance
 - 2) the nature and extent of the injury, loss or inconvenience
 - 3) the results of previous discussions
 - 4) the Association's dissatisfaction with decisions previously rendered
 - b. The principal/immediate supervisor shall communicate a decision to the unit member or Association, in writing, within five (5) school days of receipt of the written grievance.
3. Level III - Appeal to Superintendent
 - a. Within five (5) school days, after receipt of the decision, the unit member or Association may appeal the principal's/immediate supervisor's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the principal/immediate supervisor as specified above and the dissatisfaction with the decision(s) previously rendered.
 - b. The Superintendent shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) school days. The Superintendent shall communicate his/her decision, in writing, to the unit member and to the Association.
4. Level IV - Board Hearing
 - a. If the grievance is not resolved to the unit member's or Association's satisfaction, the Association may request a review by the Board of Education. The request shall be submitted within ten (10) school days after receipt of the Superintendent's decision.
 - b. The Board, or a committee thereof, shall review the grievance and may, at the option of the Board, hold a hearing with the unit member or Association. A decision, in writing, will be rendered within thirty (30) calendar days of receipt of the grievance by the Board or of the date of the hearing with the unit member or Association, whichever comes later.
 - c. The Superintendent of Schools shall attach all related papers and forward the request to the Board of Education.

5. Level V - Request for Arbitration

If the unit member or Association is dissatisfied with the decision of the Board of Education, the Association may request the appointment of an arbitrator; however, the decision of the Board of Education is final and binding concerning grievances as follows:

- a. any matter for which a method of review is prescribed by law
- b. any rule or regulation of the State Commissioner of Education
- c. any by-law, rule, regulation and/or policy of the Board of Education
- d. any matter which according to law is either beyond the scope of the Board's authority or limited to unilateral action by the Board alone
- e. a complaint of a non-tenured teacher which arises by reasons of his/her not being re-employed
- f. a complaint by any certificated personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in, any position for which tenure is either not possible or not required

6. Procedures for securing the services of an arbitrator:

- a. A request shall be made to the American Arbitration Association or Public Employment Relations Commission to submit a roster of persons qualified to function as an arbitrator in the dispute in question. The request for arbitration shall be made by the Association within forty (40) calendar days of when the Board received the grievance or within forty (40) calendar days following the Board hearing, if any, whichever occurs later.
- b. If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request that the American Arbitration Association or Public Employment Relations Commission submit a second roster of names.
- c. If the parties are unable to determine, within ten (10) school days of the initial request for arbitration, a mutually satisfactory arbitrator from the second submitted list, the American Arbitration Association or Public Employment Relations Commission may be requested, by either party, to designate an arbitrator.

- d. The arbitrator shall limit himself/herself to the issues submitted to him/her and shall consider nothing else. He/she can add nothing to nor subtract anything from the Agreement, the parties or any policy of the Board of Education. The recommendations of the arbitrator shall be binding. Only the Board and the aggrieved and his/her representatives shall be given copies of the arbitrator's report of findings and recommendations. This shall be accomplished within thirty (30) days of the completion of the arbitration hearing.

D. Costs

1. Each party will bear the total cost incurred by themselves.
 2. The fees and expenses of the arbitrator shall be shared by the Board and the Association.
 3. If time is lost by any unit member due to arbitration proceedings necessitating the retention of a substitute, the Board of Education will pay only the cost of the substitute. The time lost by the unit member must either be without pay or charged to personal time. However, if the arbitrator rules in favor of the unit member and directs that pay or personal time be restored wholly or in part, the Board shall comply accordingly.
- E. No unit member, Association representative, Board member, member of the Administration, witness or any other participant in a grievance procedure shall suffer reprisals in any way or suffer any professional disadvantage by reason of participation in the processing of any grievance.

ARTICLE III

COMPLAINT PROCEDURE

A. Statement of Purpose:

1. To provide procedures for the investigation of a complaint involving pupil and unit member or parent and unit member.
2. The Principal, Superintendent or the Board of Education shall inform the complaining party that there is a procedure that has been established for the resolving of complaints and shall encourage the utilization of said procedure. The complaint procedure will be disseminated annually to all custodial parents or guardians. Distribution will be in accordance with the direction of the Administration.

B. Procedural Steps:

1. Unit member and pupil or unit member and parent may confer at this step to attempt to resolve any and all complaints. Any unresolved complaints will then be processed to Step 2.
 2. Upon request, unit members are entitled to Association representation at all meetings throughout this process. Any complaint unresolved under Step 1 will be reviewed by the building Principal or Assistant Principal in an attempt to resolve the matter to the satisfaction of all parties concerned. If the matter still remains unresolved, it will then be processed to Step 3.
 3. Any complaint not resolved at Step 2, submitted by the complainant to the building Principal, shall be forwarded to the Superintendent and a copy forwarded also to the unit member or unit members involved.
 4. Upon receipt of the written complaint, the Superintendent will confer with all parties. The unit member has the right to be present at all meetings of the Superintendent and the complainant. This right includes representation by any representative of the unit member's choosing at any meetings with the Superintendent or at any meetings between the Superintendent and the complainant.
 5. If the Superintendent is unable to resolve this complaint to the satisfaction of all parties concerned, he/she shall forward the results of his/her investigation, along with his/her recommendations, in writing, to the Board of Education and forward copies to all parties concerned.
 6. After receipt of the Superintendent's findings and recommendations, and before action thereon, the Board shall afford the parties the opportunity to meet with the Board of Education and show cause why the Superintendent's recommendations should not be followed. All parties shall have the right of representation by any representative of the parties' choosing.
 7. Copies of the action taken by the Board of Education shall be forwarded to all parties.
- C. In the event that a complainant refuses to utilize the above complaint procedure, the Board shall not hear the complaint.

ARTICLE IV

ASSOCIATION PRIVILEGES

- A. The Association may, upon request to and approval by the building Principal or his/her designee, have the privilege to use school equipment, typewriters, copiers, computer equipment, calculating machines and all types of audiovisual equipment, at reasonable times, when such equipment is not otherwise in use. Such office equipment shall remain in its fixed and permanent position. Permission will not be withheld unreasonably. All supplies and materials are to be charged to the Association at the cost to the Board.
- B. The Association shall have the privilege to use the inter-school mail facilities and school mail boxes as it deems necessary. Inter-school mail facilities shall be used in accordance with postal regulations.
- C. Officers, members of the Executive Committee and building representatives of the Association, representatives of the County Association, the New Jersey Education Association and the National Educational Association shall be permitted to transact official business on school property at all reasonable times provided that there is advanced notification to the building Principal.
1. Reasonable times shall be defined as when personnel are not assigned to regular or emergency school duties.
 2. All Association visitors shall report to the office upon arrival to the building.
 3. The Board agrees that the Association President shall be a guaranteed duty-free release time as current to conduct Association related business as per the current practice in each year of the Agreement. The Association is responsible for fifty percent (50%) of the President's salary and health benefits.
 4. One (1) Head Representative in the High School and one (1) Head Representative in the Middle School will not be assigned a duty period; however, the Principal will retain the right to assign duties as required in an emergency. The activities of the Association shall in no way interrupt or interfere with the operations of the school. Reasonable times shall be defined as when personnel are not assigned to regular or emergency school duties.
 5. The Association Treasurer will be given two (2) release days per year to meet with the auditor and to conduct other related Association business.

Approval shall be required within the framework of building availability.
- E. The Association shall have, in each school building, the exclusive use of a bulletin board in each faculty lounge, work area and unit member's dining room provided that the facilities are not used for classrooms.
 - 1. The location of Association bulletin boards in each room shall be designated by the Association and the Administration.
 - 2. Copies of all materials shall be given to the Principal at the time of posting. The Principal has the right to remove any material deemed inappropriate for the school setting.
- F. The Association shall be entitled to nine (9) Association days per school year, with full pay, for support personnel to attend the NJEA Convention. One (1) day shall be allotted to each building for use by one (1) unit member. The Association shall notify the Board of the names of those attending the convention ten (10) days prior to the convention.
- G. The Board of Education shall notify the Association before any reduction in force is implemented.

ARTICLE V

REPRESENTATION FEE

A. Purpose of Fee

If a unit member does not become a member of the Association during any membership year, during the duration of the term of the most current contract, which is covered in whole or in part by this Agreement, said unit member will be required to pay a representation fee to the Association for the membership year. The purpose of this fee will be to offset the unit member's per capita cost of services rendered by the Association as majority representative. Any public unit member who pays a representation fee in lieu of dues shall have the right to demand and receive from the majority representative, under the proceedings established and maintained in accordance with the provisions of Chapter 477 P.L. 1979, N.J.S.A., "a return of any part of that fee paid by him/her which represents the unit member's additional pro-rata share of expenditures by the majority representative that is either in aid of activities or causes of a partisan, political or ideological nature only incidentally related to the terms and conditions of employment or applied toward the cost of any other benefits available only to members of the majority representative."

B. Notification of Fee

Prior to the beginning of each membership year, the Association will notify the Board, in writing, of the amount of the regular membership dues, initiation fee and assessments charged by the Association to its own members for the membership year. The representation fee to be paid by non-members shall be determined by Statute.

C. Deduction and Transmission of Fee

1. Notification

Once during each membership year, covered in whole or part of this Agreement, the Association will submit to the Board a list of those eligible employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with paragraph 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.

2. Payroll Deduction Schedule

The Board will deduct from the salaries of the employees referred to in Section C, paragraph 1 the full amount of the yearly representation fee in equal installments beginning with the first (1st) paycheck in February and will promptly transmit this fee to NJEA.

3. Termination of Employment

If a unit member who is required to pay a representative fee terminates his/her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said unit member during the membership year in question.

D. Mechanics

1. Except as otherwise provided in this Article, the mechanics for the deduction of representation fee and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for deduction and transmission of the regular membership dues to the Association.
2. Changes in the list provided for in paragraph C-1 will be in accordance with the present Automated Payroll Deduction dues deduction procedures.

E. New Unit Members

1. On or about the last day of each month, beginning with the month this Agreement becomes effective, the Board will submit, to the Association, a list of all unit members who began their employment in a bargaining unit position during the preceding thirty (30) day period. The list will include names, job titles and dates of employment for all such unit members.
2. The date of employment will have said to begun when the unit member is placed on the payroll and not the date when the Board approves his/her employment.

F. Liability

The Association agrees to indemnify and hold the Board harmless against any liability which may arise by reason of any action taken by the Board in strict compliance with the provisions of this Article provided that:

1. The Board gives the Association thirty (30) days' notice, in writing, of any claim, demand, suit or other form of liability in regard to which it will seek to implement this paragraph.
2. If the Association so requests, in writing, the Board will surrender to it full responsibility for the defense of such claim, demand, suit or other form of liability and will cooperate fully with the Association in gathering evidence, securing witnesses and in all other aspects of said defense.

ARTICLE VI

UNIT MEMBER RIGHTS

- A. The Board and the Association agree that there shall be no discrimination and that all practices, procedures and policies of the school system shall clearly exemplify that there is no discrimination in the hiring, training, assignment, promotion, transfer or discipline of unit members or in the application or administration of this Agreement on the basis of race, creed, color, religion, national origin, gender, domicile, marital status, age, handicapped status or sexual orientation as per Statutory Requirements.
- B. Pursuant to existing laws, the Board agrees that unit members shall have the right to organize and support the Association and its designated affiliates or refrain there from. The Board agrees that it shall not deprive or coerce any unit member in the enjoyment of any rights confirmed by existing laws of the State of New Jersey, and the Board further agrees that it shall not discriminate against any unit member because of membership in the Association. No unit member shall be disciplined, reprimanded, or reduced in rank or compensation without just cause.

- C. The Board agrees that no unit member shall be prevented from wearing pins or identification of membership in the Association or its affiliates.
- D. Whenever a unit member is required to appear before the Board or any agent thereof concerning any matter which could adversely affect that unit member's position, employment, salary or any increments pertaining thereto, then the unit member shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a representative of the Association present to give advice and representation during such meeting or interview.
 - 1. Every unit member shall be notified of meetings and/or conferences with the Administration, and the subject of the meetings shall be clearly stated.
 - 2. Said meetings shall be held at a mutually agreed upon time whenever possible.
- E. Any material that is to be placed in the employee's file shall be signed for acknowledgement purposes by the employee before it is placed into the file. Such acknowledgement shall not indicate agreement to the contents of the material, only that the employee has seen the material. If unsigned, a period of seven (7) workdays will be granted before it is placed into the file. Official Board records such as attendance sheets or leave of absence forms do not require an employee's signature.
- F. All unit members shall have the right to periodically review their personnel files, as maintained by the Board, provided they give two (2) working days' notice to the Superintendent. The Board agrees to make copies of all files pertaining to the individual available, upon request, provided that five (5) working days' notice has occurred with the exception of Employer's Confidential Reports. (These are comments made by former employers which cannot be made available without the former employer's consent.)
