**American Rescue Plan
LEA Certification of Exception from Local Maintenance of Equity Requirements**

Please submit this certification to the New Jersey Department of Education, which will notify the United States Department of Education which LEAs in the State are excepted from the local Maintenance of Equity requirements under section 2004(c)(2) of the American Rescue Plan (ARP) Act due to such certifications for FY 2022.

LEA name: Winslow Township School District

State: New Jersey

On behalf of my local educational agency (LEA), I Tyra McCoy Boyle (name),
Business Administrator/Board Secretary (title), certify that for the 2021-2022 school year, this LEA demonstrates an exceptional or uncontrollable circumstance under section 2004(c)(2) of the ARP Act. Specifically, this LEA faces one-time implementation challenges due to the enactment of the ARP Act in March 2021 and the impact of the pandemic. Given these unique timing and implementation circumstances and that this LEA will not implement an aggregate reduction in combined State and local per-pupil funding in FY 2022 (i.e., is not facing overall budget reductions), this LEA demonstrates such an exceptional or uncontrollable circumstance under section 2004(c)(2) of the ARP Act. By signing this certification, I hereby confirm that I am the authorized representative, with the fiscal and legal authority, to certify on behalf of this school district. In addition, to the best of my knowledge and belief, all the information in this certification is true and correct.
