Make a Wave and Save Our Seas Fundraiser

The WTHS Environmental Club will be selling paper waves for \$1 to be a part of a mural that will create one giant wave to show that working together can make a difference. The donor names will be placed on each wave. Donors who wish to donate \$5 will have their names placed on a sea turtle. Club members will compete to sell the most waves. The goal of the club is to remove 100 pounds or more of plastic from our seas. This will also be a part of a Green Team initiative to show student stewardship. The collected donations will be sent to Ocean Conservancy, a nonprofit organization that removes debris and plastic from our ocean.
