Safe Return Plan

2021-2022 School Year

Preparing Our Students for Tomorrow.....Today!

H. Major Poteat, Ed.D., Superintendent

LEA Plan for Safe Return to In-Person Instruction and Continuity of Services

LEA Name: Winslow Township School District (5820)

Date (mm/dd/yyyy): 06/09/2021

Date Revised (mm/dd/yyyy):

1. Maintaining Health and Safety

For each mitigation strategy listed below (A–H), please describe how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the CDC:

A. Universal and correct wearing of masks

1. The district will follow the Camden County Department of Health (CCDH) guidelines for wearing masks. The district will evaluate guidance documents as updates are made to adjust district policies and procedures.
2. The district will utilize the Centers for Disease Control (CDC) resources on proper mask wearing and staff will reinforce proper mask wearing at the building level.
3. Personal Protective Equipment (PPE) will be provided to staff and students when necessary. Staff and students may use their own PPE if desired.

B. Physical distancing (e.g., including use of cohorts/podding)

1. **Classrooms:** Physical distancing will be in accordance with the CDC guidelines at the time of school reopening (September 2021). Staff and student furniture will be adjusted according to the current social distancing recommendations.
2. **Cafeteria (Lunch):** Physical distancing will be in accordance with the guidelines set forth at the time of reopening (September 2021). Tables will be adjusted accordingly to accommodate for distancing. In certain circumstances, distancing will be accomplished by adding additional lunch periods, if needed, and/or utilizing additional large spaces.
3. **Transportation:** Physical distancing will be encouraged where possible. Windows will be opened to improve ventilation (weather permitting). Buses will be cleaned daily between routes.
4. The district will review CDC recommendations and updates and make adjustments accordingly.

C. Handwashing and respiratory etiquette

1. Hand sanitizing stations have been installed in hallways, entrances/exits, lunch areas, restrooms and in all PreK-6th grade classrooms. Teachers will also have bottles of hand sanitizers in the classrooms.
2. CDC recommendations on proper hand washing will be posted throughout the schools.

D. Cleaning and maintaining healthy facilities, including improving ventilation

1. Facilities Cleaning Practices

- a. **Classrooms** – Classrooms will be cleaned daily in accordance with internal checklists. High contact areas such as, but not limited to, door handles and push plates, light switches, desk and chairs, shelving, handrails, buttons, telephones, etc. will be wiped down with approved disinfectant.

Teacher Appreciation Week

Monday, May 3, 2021, brought the official week of recognition for our teachers and all of the hard work and dedication that they have shown with regard to our students. This pandemic year has been a difficult one, to say the least, but the teachers rose to the occasion with grace, dignity, and perseverance.

Virtual Field Day

To celebrate the end of the school year, students and families were invited to participate in a virtual field day. The purpose of this event was to find creative ways to stay active and connect with each other in a fun way. Students were able to select from 20 different activities and challenges, with each level of participation earning a bronze, silver, or gold medal. Students were also invited to send photos or video recordings of themselves participating in their favorite game or event?

In-house Field Day

Field Day looked a little different this year at Winslow School 4, but students still got the opportunity to participate in this end of the year tradition. This event was designed to highlight teamwork, sportsmanship, and movement in a fun and inclusive way. Students were able to take part in individual and physically distanced team games that kept them smiling and active. Winslow School 4 Pride was also on display as classes created their own Field Day banners which helped to make the day extra special and are now proudly displayed around the school building.

Community Outreach Projects

As with all other facets of school and community interactions, the WTHS Junior Reserve Officer Training Corps (JROTC) has faced numerous obstacles due to the pandemic. Yet, with great tenacity and inventiveness, the program has created a 3rd Quarter Community Outreach project. The three key tenets of this venture are Leadership, Education and Training (LET). Below are the accomplishments of the cadets:

LET - Level 4:

- **Battalion Commander (BN Cdr), Lieutenant Colonel (LTC) Ryan Bowie** is working on his Eagle Scout promotion. LTC Bowie is involved in a project which focuses on respectfully retiring American Flags. He is also working with Winslow Township to secure four retired Blue Post Office mailboxes which he will repair and repaint to resemble the American Flag. These mailboxes will then be given new places of honor at local fire departments.

- **Alpha Company First Sergeant Olivia Jamieson** is donating her time to Deptford Church of God and its initiative to support Saint Vincent's Hospital.

LET - Level 3:

- **Company Adjutant 1LT Emily Evringham** is working with the local community by collecting and donating toys to Goodwill, books to a local library, and blankets to a local animal shelter.

- **Cadet SFC Moriah Meyer** works to beautify her local neighborhood, dog sits for neighbors, and volunteers with the local fire department.

- **Cadet SGT Jade Watford-Lamar** is working with her mother by donating her time to the program "The Unforgotten Haven."

WTHS celebrated Teacher Appreciation week in style. The week began with a wonderful, contact free breakfast made available to teachers by the HSA. Then on Tuesday, teachers were given tickets for a raffle drawing. Students, teachers and Administrators got into the spirit of the festivities as numbers were called over the intercom and prizes awarded every period. As is tradition, students were given the opportunity to use a link to write thank you letters which were delivered to teachers as well. The end of the week brought a surprise announcement that a parent had dropped off delicious treats in the Faculty Lounge for the teachers. Thank you to all the parents, organizations and Administrators who organized the various activities and surprises for Teacher Appreciation Week.

Vision, hearing, height, weight and blood pressure will be assessed. School Health screenings are a very important part of a child's education. Interested parents are requested to call the high school nurses, Colleen Burghart or Kathy Smith, at (856) 767-1850 to schedule appointments.

On April 22nd Winslow Township High School celebrated the 51st Earth Day with a video put together by The WTHS Environmental Club. Full Remote and Hybrid students had the opportunity to watch the video as a class and discuss the dire need to love and protect Mother Earth. Spring Concert

The 4th quarter marks the beginning of Spring and the anticipation of the Spring concert. Mr. Doheny and the Winslow Township Choirs are hard at work with final preparations for their virtual performance. In the meantime, please take the time to view, enjoy and support our four Winslow Township High Choir students, Gavin Sherzer, Tiffani Stringfield, Sarah Simmons, Keziah Awa, who were selected to join the elite South Jersey Chorus. The performance will be released and available for all to view on Monday, May 10th, at 7:30 PM. Tickets may be purchased at <https://asjc.booktix.com/>. Also, Mr. Doheny and the Winslow/Edgewood High Alumni Choir have created a wonderful walk down memory lane for the school community. They invite you to watch, listen, recognize faces and voices from the past and join in a rendition of the "Alma Mater" (<https://youtu.be/S-gZFKEUYU>) and "The Lord Bless You and Keep You" (<https://youtu.be/bUyWOAcuObU>).

WTHS Environmental Club Eco Challenge

"Pick up for the Planet!"

For the last months of school the WTHS Environmental Club is challenging everyone to clean up our home! The weather is getting nicer and it's time to get back outside. Trash finds its way into our waterways and can cause serious harm to our ecosystems. Picking up litter is an easy and a great way to DO YOUR PART! Remember, be safe when you are cleaning. Wear gloves if possible and wash hands often.

DID YOU KNOW?
Nine billion tons of litter end up in the ocean every year!
