0143.2 HIGH SCHOOL STUDENT REPRESENTATIVE TO THE BOARD OF EDUCATION

The Board of Education recognizes that experience gained by and input from students in the school district is a valued source for improving the operation of the school district. To this end, and in accordance with N.J.S.A. 18A:12-1.3 and N.J.S.A. 18A:36A-11.2, the Board authorizes the appointment of a minimum of one student selected by the student body to serve as a nonvoting student representative on the Board. The student representative must be selected from one of the grades nine through twelve.

The student body may elect or appoint the student representative to the Board in a process to be determined by the Superintendent or designee. When developing the process the Superintendent or designee shall consider input provided by the student body.

The student representative shall serve for a one school year term and their duties shall include:

1. Attending all Board meetings, excluding any discussions of the Board involving subjects which are confidential;
2. Representing all high school students within the district and presenting student proposals and concerns to the Board for its consideration; and
3. Keeping high school students informed of the business of the Board by providing a monthly report to the Student Council concerning the activities of the Board.

The student representative shall rotate each school year among the high schools in the district if the district has more than one high school.

0163 QUORUM

A quorum of the Board of Education shall consist of a minimum of 6 Board members, and no business shall be conducted in the absence of a quorum, except when the Doctrine of Necessity is invoked.

All Board meetings shall be called to commence not later than 8:00 p.m. of the designated day but, if a quorum is not present at the time for which the meeting is called, the Board member or Board members present may recess the meeting to a time not later than 9:00 p.m. of the same day and, if a quorum be not present at that time, the member or members present may adjourn the meeting to commence not later than 8:00 p.m. of another day, but not more than seven days following the date for which the original meeting was called, but no further recess or adjournment of the meeting shall be made.

The Board of Education recognizes there may be matters that come before the Board or acts required of Board members in their official capacity where the Board member may have a conflict of interest or the act by a Board member would be in violation of N.J.S.A. 18A:12-24. In these matters, the Board member(s) shall remove themselves from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter. The Board will consider this matter without the Board member(s) who has the conflict.

In the event a matter comes before the Board or an act is required of a Board member in their official capacity that is a conflict or would be in violation of N.J.S.A. 18A:12-24, the Board would still be required to have a quorum to consider the matter. However, the New Jersey Department of Education and the School Ethics Commission envisioned this prohibition could create a situation in which the number of conflicted Board members would prevent the Board to take action on a matter. Therefore, when more than a quorum of the Board members must abstain from voting on a matter due to a conflict or the act would be in violation of N.J.S.A. 18A:12-24, the Board will invoke the Doctrine of Necessity consistent with the New Jersey Department of Education and School Ethics Commission guidelines as follows:

- A. Board Member(s) in Conflict - Less Than a Majority of The Board
 - 1. In the event a Board member(s) has a conflict of interest where the Board member will act in their official capacity, the Board member

must remove themselves from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.

2. In the event a Board member is unsure whether they or any other Board member has a conflict of interest or whether the matter, if acted upon by a Board member(s) is in violation of N.J.S.A. 18A:12-24 - Prohibited Acts, the School Board Attorney will make a determination.
 3. The School Board Attorney will provide the Board of Education an opinion on whether the matter is a conflict of interest or act prohibited by N.J.S.A. 18A:12-24 - Prohibited Acts.
 4. If the Board member(s) believes they have a conflict of interest where they will act in their official capacity or if the School Board Attorney renders an opinion the Board member has a conflict of interest where the Board member will act in their official capacity, the Board member will remove themselves from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
- B. Board Member(s) in Conflict - A Majority of Board Members in Conflict
1. In the event:
 - a. A Board member(s) believes they have a conflict of interest or if acted upon by a Board member is in violation of N.J.S.A. 18A:12-24; or
 - b. If the School Board Attorney renders an opinion a Board member(s) has a conflict of interest or if acted upon by a Board member is in violation of N.J.S.A. 18A:12-24; and
 - c. The number of Board members that have a conflict would make it so the Board would be unable to take action on the matter, then the Board may invoke the Doctrine of Necessity.
- C. Doctrine Of Necessity
1. The Doctrine of Necessity may be invoked when more than a quorum of the Board must abstain from voting on a matter.

2. There are three prerequisites necessary for a Board to invoke the Doctrine of Necessity:
 - a. The Board must be unable to act without the members in conflict taking part;
 - b. There must be a pressing need for action, i.e. the matter cannot be laid aside until another date; and
 - c. There can be no alternative forum that can grant the same relief.
3. When the School Board Attorney advises the Board the Doctrine of Necessity must be invoked in order to obtain a quorum on a vote, the Board must publicly state:
 - a. That it is invoking the Doctrine of Necessity;
 - b. The specific reason/purpose for which the Doctrine of Necessity is being invoked; and
 - c. The specific nature of the conflict of interest for each Board member that has a conflict of interest:
 - (1) The specific nature of the conflict of interest for each Board member should include the Board member's name; the name of the immediate family member or relative which is the basis for the conflict of interest, and the position that immediate family member or relative holds; or
 - (2) If the specific nature of the conflict of interest for a Board member is a conflict other than an immediate family member or relative, the announcement should include the conflict which is the basis for the conflict of interest.
4. When the Board invokes the Doctrine of Necessity, it will adopt a Resolution setting forth the same information as outlined in C.3. above.

5. When the Board invokes the Doctrine of Necessity, the Resolution will be:
 - a. Read at a regularly scheduled public meeting;
 - b. Posted in such places the Board posts public notices for thirty days; and
 - c. Provided to the School Ethics Commission.
6. The Board members who have a conflict in the matter are prohibited from:
 - a. Participating in any discussions on the matter prior to the announcement of the invocation of the Doctrine of Necessity at the public meeting;
 - b. Being present in an executive session when the matter is being discussed; and
 - c. Offering their opinions on the matter at any time prior to the announcement or the invocation of the Doctrine of Necessity.
7. The Board members who have a conflict may only ask questions regarding the matter to be voted on in public and after the Board has invoked the Doctrine of Necessity.
8. The Board members who have a conflict may explain their reasons for not voting just before the vote.

1511 BOARD OF EDUCATION WEBSITE ACCESSIBILITY

It is the goal of the Board of Education that the information on the school district's internet websites are accessible to individuals with disabilities in compliance with the requirements of Federal law (Section 504 of the Rehabilitation Act of 1973 and that statute's implementing regulations at 34 C.F.R. Part 104, and Title II of the Americans with Disabilities Act of 1990 and that statute's implementing regulations at 28 C.F.R. Part 35) and New Jersey law (N.J.S.A. 18A:36-35.1).

A. Federal Law – American with Disabilities Act (ADA)

Board of Education Website Accessibility

4. To ensure the district's website conforms with the above benchmarks for measuring accessibility, the Superintendent of Schools will designate a school staff member to act as the Website Accessibility Coordinator. The Coordinator will:

2415 EVERY STUDENT SUCCEEDS ACT

The Every Student Succeeds Act (ESSA) is a reauthorization of the Elementary and Secondary Education Act (ESEA) of 1965 that provides Federal funds to help all New Jersey's school children achieve. The purpose of the ESSA is to ensure all students have equitable access to high-quality educational resources and opportunities and to close educational achievement gaps. The Board of Education elects to augment the instructional program of students by projects supported by Federal funds allocated under the ESSA and the district will comply with the requirements of all the programs authorized by the ESSA.

The district may be eligible for several grant programs funded through the ESSA, including, but not limited to, Title I through Title VII. Many of the Titles of the ESSA have several parts and subparts that provide a funding source for specific purposes.

Application Procedure

The district will submit an annual ESSA Consolidated Formula Subgrant Application to the New Jersey Department of Education (NJDOE). The school district's application shall include all information required by the NJDOE and the ESSA for the district to be considered for funding under the ESSA.

Covered Programs

Formula grants under the ESSA are non-competitive grants that school districts are eligible for based on the make-up of their student bodies. These formula grants for each Title are committed to different purposes and may be used to support different activities and programs.

Title I

The largest Federal program supporting elementary and secondary education is Title I. The ESSA strengthens Title I requirements for the State's assessments, accountability system, and support for school improvement. The law also requires minimum qualifications for teachers and paraprofessionals in Title I programs.

PROGRAM
2415/page 2 of 4
Every Student Succeeds Act

The school district must use the best available measure for identifying children from low-income families to: identify eligible school attendance areas, determine the ranking of each area, and determine allocations as identified in the Title I guidelines and regulations.

The school district will offer Title I services to eligible children enrolled in private elementary and secondary schools. The services and benefits will be equitable in comparison to services and benefits for participating public school children.

The school district will provide the New Jersey Department of Education assurances it will provide the maximum coordination between the Title I program, the regular school program, and services provided by other programs for specialized populations. The Title I program will consider the special needs of homeless children, migrant children, children with disabilities and limited English Language Learner (ELL) children. Title I funds will be reserved so that migrant children who are otherwise eligible to receive Title I services, even if they arrive during the school year, are served.

Type of Title I Program

The school district will offer a School-wide Title I program.

School-wide Program

High-poverty schools (a school with at least 40% poverty or any school below 40% poverty with a waiver issued by the New Jersey Department of Education) are eligible to adopt school-wide programs to raise the achievement of low-achieving students by improving instruction throughout the entire school, thus using Title I funds to serve all children in the school. A school-wide program must be established in accordance with the Title I guidelines and regulations and the New Jersey Department of Education.

New Jersey Department of Education Accountability System

The district will comply with the accountability system established by the New Jersey Department of Education and outlined in the New Jersey State Plan and approved by the United States Department of Education.

5722 STUDENT JOURNALISM

The Board of Education believes it is important to afford students the opportunity to exercise their creativity, passion, and constitutionally-protected freedom of speech. However, the Board also believes this opportunity must be balanced between ensuring students have the right to speak freely while also preserving the ability of district staff to maintain the safe and orderly operation of the school district. The Board adopts this Policy granting students the right to exercise freedom of speech and of the press in accordance with N.J.S.A. 18A:36-44 and N.J.S.A. 18A:36-45.

For the purpose of this Policy, the following terms shall mean:

“Prior restraint” means a school official informing a student journalist(s) the news, opinion, feature, and advertising content of school-sponsored media, subject to the restrictions listed in N.J.S.A. 18A:36-45.b., N.J.S.A. 18A:36-45.c., and the provisions of this Policy, cannot be published in school-sponsored media or a school official takes any action to prevent a student from doing so.

“Prior review” means a school official reviewing school sponsored media before it is published, broadcast by a student journalist at school or distributed, or generally made available to members of the student body.

“School official” means the Principal or designee or an administrative staff member designated by the Superintendent.

“School-sponsored media” means any material that is prepared, substantially written, published, or broadcast by a student journalist at school, distributed or generally made available to members of the student body, and prepared under the direction of a student media advisor. School-sponsored media does not include media intended for distribution or transmission solely in the classroom in which the media is produced.

“Student journalist” means a student who gathers, compiles, writes, edits, photographs, records, or prepares information for dissemination in school-sponsored media.

“Student media advisor” means an individual employed, appointed, or designated by the district to supervise or provide instruction relating to school-sponsored media.

Student journalists have the right to exercise freedom of speech and of the press in school-sponsored media, regardless of whether the media is supported financially by the district or by use of school district facilities, or produced in conjunction with a class in which the student is enrolled. Subject to 1. through 5. below, student journalists are responsible for determining the news, opinion, feature, and advertising content of school-sponsored media. N.J.S.A. 18A:36-45.b. and this Policy shall not be construed to prevent student media advisors from teaching professional standards of English and journalism to student journalists.

This Policy does not authorize or protect expression by a student that:

1. Is libelous or slanderous;
2. Constitutes an unwarranted invasion of privacy;
3. Is profane or obscene;
4. Violates Federal or State law; or
5. So incites students as to create a clear and present danger of the commission of an unlawful act, the violation of school district policies, or the material and substantial disruption of the orderly operation of the school.

The district shall not authorize any prior restraint of any school-sponsored media except for the types of expression prohibited under N.J.S.A. 18A:36-45.c. and as listed in 1. through 5. above.

A school official may implement a procedure for prior review of school-sponsored media. Any prior review of school-sponsored media required by the school official shall be communicated to the student journalist by the school official and be conducted within three school days after submission to the

school official by the student journalist. If the school official cannot show the school-sponsored media is prohibited under N.J.S.A. 18A:36-45.c. and 1. through 5. above, within the three school days, the student journalist may release the school-sponsored media.

When a school official determines the restraint of student expression is necessary, the school official shall simultaneously identify at least one of the five prohibitions listed in 1. through 5. above under N.J.S.A. 18A:36-45.c. and in this Policy under which the limitation of student expression is appropriate. This determination shall be provided to the student journalist in writing by the school official that made the determination.

A student journalist may appeal, to the Superintendent or designee, a determination by a school official that the restraint of student expression is necessary. An appeal must be submitted in writing to the Superintendent or designee within five school days of the written determination being communicated to the student journalist. The appeal must include a copy of the written determination and the reasons why the student journalist believes the limitation is not appropriate. The Superintendent or designee may, but is not required to, provide the student journalist an opportunity to present their written appeal in person. The Superintendent or designee will make a determination on the appeal within five school days of receiving the written appeal from the student journalist. The student journalist may appeal a decision of the Superintendent or designee to the Board of Education in writing. The Board of Education will make a decision on the appeal at the first Regular Board Meeting after receiving the written appeal or within ten school days after receiving the written appeal.

A student journalist that violates a provision of this Policy may be subject to appropriate discipline.

The school district shall not sanction a student operating as an independent journalist.

A staff member shall not be dismissed, suspended, disciplined, reassigned, transferred, or otherwise retaliated against solely for acting to protect a student engaged in the conduct authorized under N.J.S.A. 18A:36-44 and N.J.S.A. 18A:36-45 and this Policy, or refusing to infringe upon conduct that is protected by this Policy, the First Amendment to the United States Constitution, or paragraph 6 of Article I of the New Jersey Constitution.
