GET INVOLVED - DONATE NOW

Sunflower of Peace Foundation is a Boston, USA-based 501(c)(3) registered non-profit organization (EIN: [47-2620675](#)). Our current mission is to support the people of Ukraine affected by the Russian military invasion. We collaborate with a global network of established organizations and institutions that are committed to helping Ukraine in this situation.

Due to the current crisis in Ukraine, Sunflower of Peace started a new fundraiser to provide medical and humanitarian aid that will be used by the paramedics and doctors in the areas that are affected by the violence in Ukraine. We are acquiring and distributing first-aid backpacks, medicine, medical instruments, and other means of survival that are saving hundreds of lives. These supplies meant the world to people affected by violence when we started our first fundraiser in 2015, and they mean the world to all Ukrainians now.

## Fundraiser Updates

On March 1st, 2022, we added a form for volunteering. Please fill it out if you want to help onsite or remote: <https://forms.gle/qEquhnm2e3k54zht6>

On February 25th, 2022, the first shipment of supplies we have purchased with our partner US organizations ([Meest Express](#), [Nova Ukraine](#)) left the US.

On March 2nd, 2022, the next US shipment is scheduled to leave for Ukraine.

Currently, we are ordering supplies both in the US and in Europe. We are working with our partner volunteer organizations in Poland, Romania, and Slovakia to deliver them to Ukraine in a much faster way.

Winslow Township School: School #4  
Board Meeting Date: March 23, 2022

"To the children of our country...DREAM with ambition; LEAD with conviction; and SEE yourselves in a way that others may not, simply because they've never seen it before. But know that we will applaud you every step of the way."

### Black History Month

Winslow Township Elementary School #4 celebrated Black History during February with the following activities:

#### Pre K

Through the use of books and videos, preschool explored African American contributions throughout history. Preschoolers participated in weekly activities embedded into learning themes. They learned about figures such as Garrett A. Morgan, Dr. Martin Luther King, Jr., Mae C. Jemison, former President Barack Obama, and more.

On February 28, 2022, Ms. Leslie Showell of Delta Sigma Theta Sorority Incorporated joined us virtually to read the book Rhythm of My Feet by Rashid Moon to our Preschool students.

#### Kindergarten

Kindergarteners read various books by African American authors. They learned about an assortment of African Americans from history and their contributions to society. Famous African Americans such as Ruby Bridges, Harriet Tubman, George Washington Carver, Rosa Parks, Garrett A. Morgan, and others will be discussed.

#### First Grade

First graders listened to daily read alouds and/or watched daily videos to learn about the history of influential African Americans as well as discuss their significance. Students reflected on how these people have impacted their lives today. They also completed a weekly assignment in response to videos and read alouds to demonstrate their understanding of these influential people and their accomplishments.

#### Second Grade

For Black History Month, second grade students researched a historical African American figure, completed a research project, and portrayed the role of that historical figure during our Black History Month Living Wax Museum presentation on February 25, 2022.

### **Third Grade**

Students in third grade researched a historical African American figure. Using their research, students wrote an informational paragraph about their designated person. Students then each designed a quilt square highlighting the person's portrait and their accomplishments. The completed squares were combined to create a collaborative quilt that was displayed in the hallway along with the informational paragraphs.

### **Special Areas**

In Computers, students in 3rd grade learned how to use Google Slides to research important figures. They inserted images, copied and pasted important information for each person.

In Physical Education, students learned about accomplished African American Olympians. Each week students chose an athlete from the "Olympic Wall" to discuss their achievements and contributions to their individual sport.

In Music, students learned the African American Anthem, jazz greats such as Ella Fitzgerald, Louis Armstrong, Dizzy Gillespie, African American Ballerina Misty Copland, African American Tap dancers, especially Bill "Bo jangles" Robinson, Nicholas Brothers (tap), Savion Glover (modern tap), and Opera great Kathleen Battle. Students also wore taps on their shoes and tap danced to jazz music.

In Art, students studied a new African American artist every class. In the grade levels, Kindergarten students learned about the quilt artist Sanford Biggers and created their own quilt. Second grade students studied Dr. Martin Luther King, Jr.'s "I Have a Dream..." speech to create kind-word quilts. Third Grade students read Amanda Gorman's poetry and created floral art inspired by her words.

In ESL, students watched a short video about a historical, African American figure each week during February. We had a class discussion about the person and how they had a part in changing the world.

### **Self-contained**

Dean (LLD 2/3) - Using reading passages and videos, students explored famous African Americans of their choice. They will gather information and create a lap book.

Bruno/Messick (MD): Through books and videos they explored famous African American inventors. Students will also complete a home to school project, by recreating a model from one of the inventors.

Forbes (LLD (K/1) - Using fine motor skills, students helped to create an interactive bulletin board outside of the classroom, with a focus on 19 African American Leaders past and present. Each day during the month of February, students explored these figures' contributions to the world through videos and read-alouds. On the last day, students chose a figure that they most admired and created a visual-tactile to take home.

### **School Wide**

As a school-wide activity, Winslow Township School #4 teachers created a display in the school lobby, so that students were greeted each day with the figure and bio of an important African American.

## Winslow Alumni

Congratulations to Winslow's own Cody Coleman, Salutatorian of the WTHS class of 2009, who was the first to be recognized for his work in the field of artificial intelligence by CBS on its Black History Month series. After attaining his bachelors and masters at M.I.T and Ph.D. from Stanford, Cody started Coactive, a startup Silicon Valley company which is perfecting a program that will sift through millions of images in a second. Investors are pouring millions of dollars into this venture since it is the tool of the future. As a successful black entrepreneur, he represents his hometown of Winslow and the amazing talent which continues to evolve from WTHS. Ultimately, his story is also one of hope, a promise that hard work and a clear vision will lead to the light at the end of the tunnel for any student. Cody feels a deep gratitude for the teachers who fostered his evolution, especially Mrs. Chantel Smith and Coach Ingram, both of whom he considers his family and visits frequently. Cody is also one of the subjects of a book titled *Grit: The Power of Passion and Perseverance* by renowned pioneering psychologist Angela Duckworth. Please join us in congratulating and cheering on one of WTHS's shining stars. ## Annual Blood Drive

On March 15, 2022, Winslow Township High School NHS and Key Club are teaming up to host a blood drive at the nearby Christ the Redeemer Church Hall in Atco. The event is going to be off site this year to meet COVID restrictions. All are invited to attend and donate. Please use the link below to choose a convenient timeslot. Blood donations will not only help replenish the blood banks which are at their lowest in ten years, but also help National Honor Society students to earn scholarship money for college. Thank you in advance for helping us to help save lives!!!

## Leo Club

Leo Club is hosting its annual Poetry Night on March 31, 2022, at 6:30 pm in the library. Student poets are invited to submit their pieces to Mrs. Freda in M105 by March 18th. Ten poems and poets will be chosen for the live competition and poetry reading event on March 31st. Judges will then determine the top three winners who will be awarded cash prizes in the amounts of \$75, \$50 and \$25. Additionally, WTHS Leo Club members visited school # 4 on Friday, Feb. 25th, to commemorate Black History Month. Students read books about Black History Month and participated in activities such as "Jeopardy" and "Find the Sight Words." Also, Leo Club participants are continuing the tradition of writing pen-pal letters to the students with special needs in Ms. Tricia Davis' class.

## Spring Season

The WTHS Athletics Dept. has had a great winter season with the WTHS Girls' Basketball starting the first round of the NJSIAA Tournament against Timber Creek on March 1<sup>st</sup>. Congratulations to the Girls Track Team for winning the Group 3 South Jersey Sectional Championship! The ladies outscored 2nd place Toms River 69-48. This marks the 4th consecutive South Jersey Championship and 8th in 11 years. These young ladies are simply amazing! Spring season practices will be starting the week of March 7<sup>th</sup> and students are encouraged to join boys/girls track, baseball, softball, lacrosse, and the boys' tennis teams by registering on Family ID and turning in a physical packet. Stop by the Athletics Office (across from the gymnasium entrance) for more information.

## Eastern State Championship

Congratulations to the Girls Track team for their performance at the Eastern State Championship. The 4x200 team of Briyel Brown, Janelle Marshall, Kamryn Holness and Jaia James ran a season best time of 1:43.58 which is NJ#2. Charly Dutton placed 7<sup>th</sup> in the 800-meter run and Victoria Campbell placed 9<sup>th</sup>, running a personal best indoor time of 2:24.28. The ladies are now gearing up for the Meet of Champions, as well as the New Balance Nationals. Please join us in congratulating and cheering them.

## Reapportionment Commission Hearing

Congratulations to Charly Dutton, Senate President and a representative of the NAACP, who was chosen to represent the WTHS student body at the Reapportionment Commission Hearing. She presented her knowledge of the diversity and economic disparity in Winslow Township and requested that the commission take these matters into consideration as it re-draws the maps for this district. The entire session may be viewed via the link below, with Ms. Dutton speaking around the 1:06 mark. # A Day at Winslow High School

In February, WTHS Rachel's Challenge sponsored The National Random Act of Kindness Week and planned various incentives to foster and incentivize humanitarian awareness and acts on campus. Raffle tickets were distributed when acts of kindness were witnessed and prizes including gift cards to Chick-Fil-A, Wawa, Target and Dunkin Donuts gift cards were given to winners. This year, WTHS spirit gear was added to the list of prizes. Great job students and faculty!

FBLA Shows Club Pride! Winslow Township High School's Future Business Leaders of America (FBLA) Club kicked off the beginning of February with a morale boosting, organization-wide Spirit Week! From February 13th to 19th, members participated in theme days such as Advisor Appreciation Day and Spirit Day. On Friday, February 18th, FBLA modeled pride as every member came to school in an official club polo shirt!

## Girls Track & Field Shotput Showcase

**Tyasia Doyle (Sophomore):** Tyasia came into the season with a previous best of 23'7", made amazing gains and ended the season with a personal best of 33'5".

**Saige May & Camorra Robinson (Junior):** These young ladies are first year shot putters who show great potential by picking up techniques quickly and showing great commitment to the mastery of their craft. Both have achieved personal bests and represent the future of the team.

**Ellis Oliver (Junior):** Ellis finished the season with a throw of 48'10".5, a personal best and one which made Ellis the Boys' South Jersey Group 3 Sectional Champion. He also finished the season with 5 first place finishes. Wow! Congratulations on a stellar season.

**Omari Chambers (Sophomore):** Omari finished the season with a throw of 43'11".5, achieving that personal best at the biggest meet of the season. He is to be especially commended for improving 6 plus feet this season through his hard work and patience.

**Corey Williams (Junior):** Corey finished the season with a throw of 38'5".5, a 4ft plus personal best improvement.

## Fastest Growing Sport

At WTHS, the lacrosse season begins on March 6th and ends on May 15th. Lacrosse is one of the fastest-growing sports around. Sometimes lacrosse is called the fastest game on two feet. In a nutshell, players have three main assignments that come with their positions: score goals (attack players), prevent the other team from scoring goals (defenders), and stop the ball from entering the net (goaltenders). In addition, one set of players — known as the midfielders — are regularly assigned the task of playing both offense and defense. Practices will be held daily after school and on Saturday mornings. Games are made up of four quarters, each twelve minutes long. Helmets and pads will be provided. Players are encouraged to get their own stick and gloves. Mouthpieces and cups are required. All interested students are requested to contact Coach Regn at [regnda@winslow-schools.com](mailto:regnda@winslow-schools.com)
