## Mu Alpha Theta

The WTHS chapter of Mu Alpha Theta, The Math Honor Society, inducted new members this month! The ceremony involved the passing out of membership cards and certificates; refreshments in the form of cupcakes and beverages also marked the occasion. Members have started practicing for competitions later this year, especially the Owlympiad Mathematics Competition at Temple University on May 20th, and the seniors have placed their orders for graduation cords. Congratulations to the following new inductees: **Morgan Crawley, Jasmine Williams, Lindsay Gumiit, Taiwo Olabode, Mickayla Villanueva, Camryn Aikens, Melissa Murphy, D'Angelo King, Jose Benitez, Jolie Li, Christopher Venescar and Christian Pinkett.**

## Safe Drinking Water

WTHS is ramping up efforts to encourage and ensure students and staff have adequate safe drinking water while contributing to the Green Team commitment. Currently four operation stations (one in the M-Hallway, two outside the cafeteria, one outside the auditorium) are servicing the school population. Also, plans are in motion to install a fifth station in the J-Hallway. Safe drinking water is essential for proper hydration, cognitive function, and overall health. These stations provide access to fresh, filtered water, which can help prevent waterborne diseases and improve overall well-being. In addition to their many health benefits, using one of these water refill stations on a regular basis eliminates the need to buy bottled water and reduces plastic waste. Water refill stations are also beneficial to the environment as they eliminate the need for single-use plastic bottles that end up in landfills and oceans. For example, the two stations outside the cafeteria have saved over 45,000 plastic bottles from ending up in the trash and the eventual landfills and oceans.

## Green Initiative

Mr. Palumbo is super proud of his students in his Arts and Crafts II class for helping Winslow's Green Initiative by building architectural maquettes from recycled materials. They used measurements and geometry to create symmetrical structures that stand on their own and feel aesthetically well designed. Beside the basic windows, door, and a roof, students had to include a unique design element in their work. Below is an example from Shyla Wallace's collection:

# Congratulations

Congratulations to Winslow Township High School's Students of the month: Nicholas Parlow (12<sup>th</sup>) and Ma'Syiah Brawner(10<sup>th</sup>). Students are chosen to be recognized each month by staff members and the criteria includes academic progress, contributions to the school community and good citizenship.

Congratulations also to **Mr. William Snyder** who was chosen as **Staff Member of the Month** by his peers. It is a coveted recognition bestowed at monthly staff meetings by the administration.

Congratulations to Mr. Ingram and the phenomenal WTHS TV Production crew whose short film titled "My Joy has Arrived" which won the NFL Films Student Film Competition previously, has been selected as a Finalist in the upcoming 23<sup>rd</sup> annual Garden State Film Festival (GSFF). This is one of the most respected film festivals in the country! There are only fifteen other finalists out of hundreds of submissions! Representatives from the GSFF invited the six film creators (four alumni from last year and two current students) and Mr. Ingram to attend the event which began on Thursday, March 21<sup>st</sup> and ran through Sunday, March 24<sup>th</sup>. As part of the festivities, students had the opportunity to attend the animation workshop on March 21<sup>st</sup> during the day and a filmmakers meet and greet at night. **Next came the Garden State Film Festival Opening Night Red Carpet Event on Friday March 22<sup>nd</sup> at 6pm.** The screening and announcement of the High School Category winners took place on Saturday March 23<sup>rd</sup> at 9:30am. Also, this same talented crew was recently nominated for a Student Emmy for facilitating, designing and presenting the sports live stream of the Boys' Varsity Basketball game vs Seneca on February 6<sup>th</sup>. **Terry Harris** was the director of that production. The entire team plans to attend the NATAS Mid-Atlantic 2024 Student Production Awards Day on Wednesday, May 15, 2024. Good luck!!!

# Congratulations

Congratulations to the newest members of the Spanish National Honors Society: Camryn Aikens, Angel Akeiti, Lester Alvarado, Emmanuela Baidoo, Brenna Bowie, Jose Benitez Camarillo, Mye Sky Castro, Kassidy Conyer, Alanna Costa, Brian Daley, Lucero Delgado, Savannah Dutton, Xavier Fregoso, Jomar Gonzalez, Adrian Gonzales, Brody Harris, Janiyah Hill,

The induction took place on November 28, 2023, and current members introduced the inductees in Spanish and English and then shared their past experiences and dreams of using Spanish in the future. The new inductees also had the opportunity to talk about their current experiences in the language learning process. The night's festivities included a dinner party for 120 people and the Latin menu consisted of roasted pork and chicken, rice with beans, potato salad and empanadas. Of course, all that delicious fare was topped off with a celebratory piece of cake. The event was further customized with student artwork highlighting famous Mexican artists such as Frida Kahlo and Diego Rivera. A big shout out goes to the officers - **Presidents: Gianna Cavallero and Tyasia Doyle; Vice Presidents: Tatiyonna Smith and Monica Thai; Secretary: Jada Lowe; Treasurer: Gilberto Morquecho-Leza;; Historian: Terry Harris and Committee Chair: Catriana Haas** - for their hard work in making the brochure and facilitating all ceremonial procedures. Also, SHS students gifted 3rd graders at School 4 with much-anticipated visits and lessons which involved a power point presentation, games, stories and treats of course! In return, the students at school #4 wrote heart-felt and moving thank you letters to the high schoolers. The next step will be to train the new inductees in the art of presenting these love and language imparting lessons. In pursuit of team/club-building and meeting and greeting the newest inductees, officers organized a bowling trip, a visit to the Philadelphia Art Museum and a skating event. Looking forward, the club is planning a student ambassador program to welcome new Spanish speaking students to our school and the yearly Spanish Dance Trip, as well as the annual debate game: Spanish II versus Spanish III students! May the best win!!!
