### 0143 BOARD MEMBER ELECTION AND APPOINTMENT

The election and appointment of Board of Education members will be conducted in strict compliance with law.

The Board Secretary shall promptly notify the President of a vacancy to be filled by the Board. The President shall inform all other Board members. The Board will give public notice of the vacancy and invite any qualified person to submit a written request for consideration of their candidacy for the vacancy. The Board may also require candidates submit a resume with their written request.

In considering candidates who have expressed an interest in a vacancy, the Board may interview candidates in public or executive session. The Board must vote to appoint a candidate to a vacancy in public session and there shall be no decisions made in executive session. In the event interviews are conducted in executive session, Board members, in the public session nomination and voting process, shall express their opinion in support of their vote so the public can witness any deliberations, policy formulation, and the decision-making process of the Board.

A roll call vote will be conducted on candidates in the order the candidates were nominated with a second. The public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 is also required in the event an existing contract for a Superintendent of Schools, Deputy Superintendent of Schools, Assistant Superintendent of Schools, or School Business Administrator is rescinded or terminated by the Board before it is due to expire and the parties agree to new employment terms.

In connection with the Executive County Superintendent's review of the contract, the Board shall provide the Executive County Superintendent with a detailed statement setting forth the total cost of the contract for each applicable year, including salary, longevity (if applicable), benefits, and all other emoluments in accordance with N.J.A.C. 6A:23A-3.1(d).

### 5339.01 STUDENT SUN PROTECTION

The Board of Education believes it is important that school district students protect themselves against harmful sun-related skin diseases by using protective measures. Pursuant to N.J.S.A. 18A:40-12.39 and notwithstanding any law or regulation to the contrary, the Board adopts this Policy concerning a student's use of sunscreen and sun-protective clothing, such as hats and sunglasses, while outdoors at school and school-sponsored functions.

As used in this Policy, "sunscreen" means a topical product used for the purpose of limiting skin damage caused by overexposure to the sun, and which is regulated by the Federal Food and Drug Administration for over-the-counter use, in accordance with N.J.S.A. 18A:40-12.39.a.

Students are not required to provide documentation from a physician or other licensed health care professional in order to use sunscreen or sun-protective clothing while outdoors at school or a school-sponsored function.

The Board requires written permission from a student's parent to allow that student to carry or use sunscreen at school or a school-sponsored function for all students.

Any student found to be using sunscreen in an inappropriate manner shall have their permission to use sunscreen revoked and be disciplined in accordance with the student code of conduct. If a student's permission to use sunscreen is revoked, the district shall notify the student's parent in writing of the reasons and duration for the revocation of that permission and of any discipline associated with the incident.
