XIV. INFORMATIONAL ITEMS

Mr. Pease wished everyone a Happy New Year and officially announced that the Middle School repairs have been completed. There are some punch list items that we are still working on, but we are happy to announce that all of our students are back in school at the Middle School. Mr. Pease thanked everyone for their perseverance, patience, and support during the time that we had to deal with this emergency.

Mr. Thomas thanked Mr. Pease for his vision and where he is leading us to.

XV. PUBLIC COMMENTS (Time Limited)

The Winslow Township Board of Education highly values the input of citizens in making important decisions that affect the children of our community. We also believe in the rights of citizens to observe Board Meetings. To ensure that all of our citizens have the opportunity to attend School Board Meetings and offer comment, and to ensure that the Board can conduct the important business of the district, we ask that speakers follow the guidelines for making public comments.

Notation of Public Comments on Agenda Items – The Board President or Board Secretary will recognize those individuals in the audience who wish to make comment.

Please respect the following procedures:

1. All members of the public attending School Board Meetings must treat each other and the Board with respect.
2. State your full name and town.
3. Please limit your comments to ***four minutes***.
4. Submit your questions to the Board of Education with your name, address and telephone number where you can be contacted. Your questions will be answered within a reasonable time.
5. Individuals offering citizen comment are not permitted to make personal attacks on any District employee, Board Member, other testifier or member of the public.

A motion was made by Mr. Shaw, seconded by Ms. Pitts, to open the meeting for Public Comments at 6:32 p.m.

Voice Vote: All in favor

Mr. Pease shared that a new feature has been added to our Public Comments portion of the agenda. It allows the community and those who cannot attend the meetings to send their questions via email. Mr. Pease stated that some community members may have been confused about the purpose of the email and what they should be asking. We appreciate all of the comments that were made. We also had questions come in that were directed more towards school Principals. Those questions will be given to the Principals so they can respond. Mr. Pease also stated that there were no immediate questions for the Board. Moving forward, we would like the platform used to address questions directed toward the Board about agenda items or other concerns that have already gone through the school route and Principal route as far as attempting to get an answer.

One question came in about the Citizens Advisory Committee (CAC) regarding the number of people on the CAC. They asked if anyone who applied is able to join in on conversations with the committee. We will reach out to that individual and give them the information necessary to participate in the CAC either this year or next year.

Mr. Thomas shared that several CAC applications were received in the last week or two. He asked the Board to extend the deadline for the Citizen Advisory Committee until January 14, 2026 for those who are considering to participate.

XVI. ADJOURNMENT OF PUBLIC COMMENTS

A motion was made by Ms. Martin, seconded by Mr. Shaw, to close the meeting for Public Comments at 6:36 p.m.

Voice Vote: All in favor

A motion was made by Ms. Glaud, seconded by Mr. Shaw, to extend the deadline for finalizing the Citizens Advisory Committee until January 14, 2026.

Voice Vote: All in favor

Time was allotted for Board members to speak.

XVII. ADJOURNMENT

A motion was made by Mr. Shaw, seconded by Mr. Clark, to adjourn the meeting at 6:45 p.m. All Ayes.

Respectfully Submitted,

Tyra McCoy-Boyle
