Re: Applicant Service Request  
E-rate Funding Year: July 1, 2014-June 30, 2015

To Whom It May Concern:

We hereby request Comcast Cable Communications Management, LLC and its applicable operating affiliates and subsidiaries offering services as contracted to one of the following; School, District, Consortium or Healthcare Provider; request for services to be installed, upgraded and/or activated for service, prior to July 1, 2014 and/or the receipt of our [USAC] Funding Commitment Decision Letter.

With this request, we understand that the terms of our contract shall not be modified or amended. We understand that the service provider will not pre-discount or authorize reimbursements for such services(s) until the following four conditions are met: (1) the Funding Decision Commitment Letter that approves funding is received; (2) the FCC Form 486 is filed; (3) the FCC Form 486 Notification Letter is received; and (4) the customer completes the Comcast REIMBURSEMENT FORM and submits (email or fax 215-286-1797) to [Pamela\\_Ervin@cable.comcast.com](mailto:Pamela_Ervin@cable.comcast.com)

If SPI is preferred, beginning with either the first billing month after the above four conditions are met, or in the case that the first billing month is not feasible, then the second billing month, Comcast will begin providing discounted bills and will reflect a credit for the prior month's prepayment for the E-rate discount amount by the customer. Therefore, we agree to be responsible for all applicable payments as invoiced in accordance to the "payment term" as defined within our executed service agreement.

We understand upon service activation, Comcast Cable Communications Management, LLC and its applicable operating affiliates and subsidiaries shall require the applicant to execute a Customer Acceptance Form. The execution of the [CA] indicates to our regulatory billing department that the customers' service has been installed, accepted and invoicing may begin. Copies of all documents are retained as required by the FCC, USAC and CTF document retention guidelines.
