Monthly School Highlights

Winslow Township School: School #4
Board Meeting Date: June 25, 2014

"Bucket filling is fun and easy to do. It doesn't matter how young or old you are. It doesn't cost any money. It doesn't take much time. And remember, when you fill someone else's bucket, you fill your own bucket too. When you're a bucket filler, you make your home, your school, and your neighborhood better places to be.

-Carol McCloud

Teacher Appreciation Week...

May 5-9, 2014, was Teacher Appreciation Week! Students, parents, the principal, and School #4's HSA had an opportunity to express their gratitude toward the teaching staff by hosting a luncheon on May 6th and by supplying the staff with a multitude of mini surprises all week long.

Assessment...

The NJASK3 was given during the week of May 12-15. School #4's third grade students worked diligently to demonstrate their knowledge during the week long exam.

Similarly, the second grade was given the S-Test during the week of May 19-23. They too worked hard to share all that they had been taught throughout the year.

HSA

The School #4 HSA helped the third grade class unwind after a grueling week of state testing, by hosting a Dance Party. Families came out to participate in a night of fun and to see who had won the drawing for one of a number of prizes, including two bikes, for having perfect attendance during testing week!

Drama Club Cabaret

On May 21, 2014, School #4 hosted our very first presentation highlighting and showcasing students' skills developed during the year: acting, singing, and dancing. Students worked each week towards performing various musical theatre scenes and songs, all of which culminated into the cabaret style performance that was held on the 21st. Students were an active part of arranging scenes, discussing costumes, and all of their efforts and talents were well received by parents and audience members. We look forward to the possibility of our sophomore year!

Greatness is in You!
June 2014

Winslow Township High School has chosen The Fault in Our Stars by John Green as the summer reading book. The story is narrated by a 16 year old cancer patient who is forced by her parents to attend a support group. There, she meets and falls in love with an ex-basketball player. The novel chronicles the life of a teenager who must not only handle the pressures of teenage life, but also the reality of her own mortality and how it will affect the people closest to her. All students were given a study guide to accompany the novel. They are expected to bring their completed guides to their English teacher on the first day of school and take a school-wide test during the month of September. WTHS One Book One School Committee welcomes the entire Winslow community to read and discuss this inspirational, heart wrenching best seller.

As the year draws to a close, the choral department has been engaged in its end of the year performances. On Friday, May 16th, 2014, WTHS Concert Choir and Chamber Choir attended the Trills & Thrills Festival in Hershey, PA. The choirs performed for two judges and received superior rankings based on the performances. The concert choir received scores of 99 and 100, and the chamber earned two 100s. Moderators at the festival commented on the uniqueness of such high scores. After the competition, the choirs spent the day at Hershey Park and savored the perfect scores and miraculously perfect weather. On Wednesday, May 21st, 2014, the chamber choir participated in the Winslow Township Middle School's annual Art Day. Middle school students were privy to a grand performance and insight as to how they could be involved in the choral department at the high school. The next day, the chamber choir attended the NJ High School Choral Festival at Rutgers New Brunswick, performed their greatest hits for a panel of judges and received a brief clinic following the performance. WTHS Choir brought the incredible season to a close with two highlights: The Annual Spring Choral Concert on May 27th and the concert choir singing the National Anthem at the Phillies Game on May 31st, 2014. Great job choirs!

Congratulations to WTHS 12th grade student, Brittany Adams, who was recognized by the Camden County Association of Secondary Schools Principals and Supervisors for being the best of her graduating class of 2014. Brittany Adams, WTHS salutes your accomplishments.

Congratulations to Darnell Maisonet, 11th grader, for making The All South Jersey Baseball Team!!! Ninety schools send umpteen students and only twenty were chosen. Darnell, who has been titled "Diamond in the Rough" by The Courier Post, has also earned his place in the First Team All-Conference and first Team All Group III. Additionally, he has been admitted into the pool of 100 elite underclassmen who will play on June 11th at Diamond Nation in front of fifty universities and professional scouts. Winslow will also be represented when Darnell plays with the prestigious Carpenter Cup Team at the Phillies Stadium against Pennsylvania and New Jersey teams on June 12th, 16th and 19th. Darnell is a top athlete and scholar who maintains a 3.7 GPA while making his mark on baseball. WTHS commends you for all your accomplishments.

On May 16th, 2014, eight WTHS students, Malik Coville, Brandon DeOre, Shanice Flournoy, Jana Maes, Catherine Marques, Chelsea Rettberg, Amy Schuff and Candy Tu, participated in the Tem-

ple University Math Competition titled the Owlympiad. WTHS held its place in the middle and students returned with a great experience under their belts and strategies for next year's competitions.

WTHS hosted its Annual Poetry Contest on May 22nd at the school library. Members of Leo Club set the stage for a dramatic, evocative night while poetry enthusiasts filed in. From the many entrants, the judges narrowed the winners down to the following: Joe Pidlisky in first place, Brianna Harley in second and Tyler Flanagan as third. The winners took home \$100, \$50 and \$25 respectfully. Leo Club thanks all those involved, especially the community members in attendance, for participating in a truly memorable night.

Forty-five members of The Rachel's Challenge and Peer Mediation Clubs attended the Annual Education Extravaganza on Thursday, May 29th, at Morey's Pier in Wildwood. WTHS students joined those from other schools and participated in team building exercises on the beach. The activities enabled and encouraged them to use critical thinking, problem solving and negotiating skills in order to overcome each task. Students had the opportunity to learn and model successful team building behaviors. The afternoon was spent on the boardwalk and the water park. Students returned as they do every year physically tired but with renewed vigor in their commitment to peer mediation and team building.

"Ah-chool" Mrs. Taylor, the school nurse, would like to draw attention to the most common ailment during this time of the year: allergies! As the trees bloom and pollen becomes airborne, allergy sufferers begin their ritual of sniffing and sneezing. Signs and symptoms of seasonal allergies include sneezing, itchy nose and or/throat, nasal congestion, clear runny nose, coughing and itchy red and watery eyes. There is no real cure for seasonal allergies but it is possible to relieve symptoms by reducing or eliminating exposure to allergens. Some strategies are keeping windows closed, using air conditioning if possible and staying indoors when pollen counts are high. Please encourage washing hands, changing clothes and even showering to ensure the reduction of contact with pollen. If reducing exposure isn't possible or doesn't work, visit the family doctor who will recommend medications that may help with alleviating the symptoms. The doctor may also recommend a visit to an allergist in severe cases. Teenagers are advised to create a personal allergy-relief plan with parents. This may include carrying tissues, eye drops, lozenges to soothe the throat and stopping by the nurse's office if there are any questions during the day. Nurse Taylor welcomes questions from students or parents via e-mail or phone.
