

Sodexo Supports the Smarter Lunchrooms Movement

As part of Sodexo's commitment to the Partnership for a Healthier America announced in March 2014, all Sodexo Schools units are expected to implement at least nine Smarter Lunchrooms tactics, including placing fruits and vegetables at students' eye level, ensuring that that there are two fruit and two vegetable choices available each day, placing fruit and vegetables in attractive containers, positioning cooked vegetables before the entrees, and food service staff encouraging fruit and vegetable consumption through creative naming, selling techniques nutrition education in the classroom and chef culinary demonstrations.

For more information on the Smarter Lunchrooms Movement and the tactics your school can use, speak with your Sodexo General Manager.

Summer Feeding Program

2014 Summer Feeding Program was held at Schools 3, 6 and the Middle School. This program is sponsored by both Winslow Township and the Winslow School District. This summer we served 7600 breakfasts and 12,000 lunches in thirty nine days. Any child in Winslow Township ages 0—18, were eligible for both free breakfast and lunch.

Hunger Action Month

Hunger Action Month provides everyone an opportunity to get involved in the fight against hunger.

Orange is a bold color, and it's time to be equally bold about ending childhood hunger in America. This September, join Sodexo to raise awareness that 16 million children in America face hunger. It's a problem we can solve, and it's time to get involved.
