

0155 BOARD COMMITTEES

The Board of Education authorizes the creation of committees of Board members charged to conduct studies, make recommendations to the Board, and act in an advisory capacity. Committees are not authorized to take action on behalf of the Board. In general, the Board shall operate as a Committee of the Whole.

Standing Committees

The Board may authorize the establishment of such standing committees from among its membership as it finds necessary to study operations in specific areas and to make recommendations for Board action. The following rules will govern the appointment and function of such committees:

1. The committee shall be established through action by the Board.
2. The committee chairperson and members shall be appointed by the Board President.
3. The committee shall be provided with a list of its functions and duties.
4. The committee may make recommendations for Board action, but it may not act for the Board.
5. The Board President and Superintendent shall be ex officio members of all standing committees.
6. All standing committees shall be dissolved at the end of the Board's year – at the annual organizational meeting. They may be dissolved at any time by a majority vote of the Board.

Special Committees

Special committees may be created for special assignments. The same rules shall apply to special committees as apply to standing committees, except that they shall be dissolved upon completion of their assignment.

Committee meetings may be called at any time by the committee chairperson or when a meeting is requested by a majority of the members of the committee.
