Voice Vote: All in favor

Nelly Chandler – Ad Hoc Citizens Advisory Committee Chairperson

Good Evening Dr. Carcamo, Board Members The Citizens Advisory Board Meeting met on April 3. All members were present with the exception of Lisa Nutter. Present from the Board was Board President Ms. Pitts, Mr. Vascos and Mr. Gidwani. The Mission of the Citizens Advisory Committee was read for the sole purpose of the group, which is not to create policy or regulations but only for the purpose of seeking advisement, recommendations and provide wide spread involvement in the District. Discussion was formed on how we can best improve community participation from families. Members felt that as soon as ... there is less opportunity for regular participation. They are opening up opportunities to participate in school activities. Some members felt that parents are more active as kids get older. The parents were active as kids get older specifically such as sports events. The ... indicated that it is up to the specific HSA group to establish opportunities to participate. Once you get parents in, they are more active and willing to participate; however, we need to come up with activities to get parents to participate early on. Recommendations were made such as incentives for people that are already involved. Pajama night events, exercising class and activities for kids to do at HSA meetings that would lead to parents coming out to participate. High school students assisting with after school clubs for the lower grades. Technology a levelfor parent's participation; creating a webcam for parents to sign on to Proud Parents of Winslow Township students; Face book and a blog that parents can participate and have it open to anyone in Winslow Township. Recommendations for specific school websites to be updated weekly. Identify the webmaster for each school and have a specific day of the week as to

when the webpage will be updated. Recommendation to also make a streamline sports program. The committee noted that parents were very involved due to sports. But they lose interest on their way up. A system should be created whereby parents can stay involved in sports all the way through until high school. The best athletes are often picked up by schools other than Winslow which means the best athletes are leaving. Suggestions were made to randomly call parents about how they felt to and the school could focus on the issues made by parents. Reaching out with an invitation to parents about the programs available in the District. A bank of people to participate to use the airways to get people out. Lack of access to transportation for members of the community. Back to School night is always big in the District. But not too much happening to parents afterwards. It is important to keep parents involved at the beginning and they are likely to participate. Find out why parents are taking their children out of the District and try to get them back. Change the perception and reputation of the schools. The Citizens Advisory Committee will collaborate in any efforts that we may assist...with the School Board. They can assist with graduation at the high school and middle school. Lastly a recommendation was made to reinstitute the middle school library after school program for 2014-2015 school year. Our next meeting is Thursday, May 1, 2014.

Dawn Mallough – Parent

I just have two really quick questions for you. It wasn't mentioned in the budget about the School 4 addition?

Ms. Boyle – The School 4 addition is not budgeted for next year. It is a long range facility plan. We are trying to tuck money away for that.

Ms. Mallough asked if the school tee shirt that she was wearing was acceptable for next year's uniform policy. One of the options was a school spirit tee shirt.

Ms. Pitts – I would have to review the policy but unless we were talking about school special events but not every day.

XVIII. OLD BUSINESS – None at this time.

XIX. NEW BUSINESS

Mr. Wilcox – I would like to raise an issue in preparation from a Marketing Committee standpoint in terms of our 360 degree promotion for the Community Connections Meeting which is scheduled to be held on May 28, 2014. I wanted to know if the Board could approve for me to move forward to reach out to the Township to use the information, that I believe we already previously approved to appear in the Township Newsletter, so that they can then advertise the meeting on Channel 9.

Ms. Pitts – Mr. Wilcox I wanted to check that it is not anything that we actually have to vote on because we have discussed this before. Board members you have heard Mr. Wilcox’s request. Would there be any objections to what he is asking us to do? Hearing none, Mr. Wilcox you have our approval.

XX. INFORMATIONAL ITEMS – None at this time.

XXI. EXECUTIVE SESSION – Mr. Long – No Executive Session

XXIII. ADJOURNMENT: A motion was made by Ms. Brown, seconded by Ms. Watkins to adjourn the meeting at 8:29 p.m. *All Ayes.*
